

# OPPORTUNITY GROWS HERE

The flagship Central Community Branch YMCA found its current home in the heart of Worcester's Main South neighborhood in 1920. The Central Branch is a safe haven, bringing together people from all backgrounds and walks of life, fostering relationships, and forming a rich and diverse community.

While we have been good stewards of the current property, time takes a toll and a new generation brings new ways of connecting and staying active. We know we must provide more opportunity for the 23,000+ people that live within a three mile radius of the Y. The needs of the community are changing. So must we.

## PLANNED CAPITAL IMPROVEMENTS TO THE YMCA'S CENTRAL COMMUNITY BRANCH:

- Restore and improve the YMCA's Fuller Family Park
- Enhance our community cafe and learning space

**WE NEED YOUR SUPPORT!**

### OUR MISSION:

The YMCA of Central Massachusetts is an association united in a common goal to strengthen our communities and to develop the spirit, mind and body of all persons, regardless of means, through activities guided by and based upon our core values of caring, honesty, respect and responsibility.

## HOPE GROWS HERE

### RESTORING Y'S FULLER FAMILY PARK

Nearly three decades ago, the YMCA transformed a series of abandoned parking lots into a neighborhood place and space to gather, play, learn, and celebrate. Given the deterioration, due to time and circumstance, coupled with the growing needs of the Main South neighborhood, we are called to do something more.

#### PLANNED IMPROVEMENTS:

- Children's play structure
- Splash pad
- Multi-purpose court
- Amphitheater
- Upgraded walking track
- Benches and lighting

## HEALTH GROWS HERE

### COMMUNITY CAFE & LEARNING SPACE

Good things happen when we cook and share a meal together. New skills are learned, healthy habits are formed, and relationships are strengthened. An enhanced cafe will connect people—from kids to seniors—through food and learning.

#### PLANNED IMPROVEMENTS:

- Enhance our community cafe and learning space
